EXPERIENCE

Content Production Manager | Physics Wallah | Bangalore May 2025 – Present

- Produce 100+ videos and 200–300 creatives per month at peak across PW IOI & PW Skills — YouTube content, launch campaigns, webinars, event branding, Telegram, website, and paid-campaign creative support.
- Lead a 5-person core creative team (3 graphic designers, 2 video editors) plus freelancers and agencies — owning briefs, creative direction, review cycles, and final approvals.

- Directed launch content for the PW IOI MBA launch in Bangalore across 6 content streams: event branding, social creatives, YouTube Live assets, stage design, banners, and event flow.
- Created launch and live content across 2 YouTube channels — 1,000+ subscriber growth and 50K+ views on one channel; content engine for the Skillshala launch supported 700+ registrations, 400 attendees, and 30K YouTube views.
